*Rules for Termination Fees (see Code of Practice for full detail of when it may apply):

Early Termination of contract fee in Initial Term

- Meter removal fee +
- Daily standing charge to end of full Initial Term (to a maximum of 6 months of standing charges) +
- Meter replacement charge and Keypad replacement charge, fully refundable on recovery of meter and keypad

Termination of contract after Initial Term without giving PrePayPower full Notice Period

- Meter removal fee +
- Meter replacement charge and Keypad replacement charge, fully refundable on recovery of meter and keypad

Termination of contract after Initial Term giving PrePayPower full Notice Period

- No fee

Initial Term is the minimum period of this Contract as set out in your Installation Agreement.

Termination of the contract is the date from which PrePayPower no longer supplies electricity to your home, or from when you have permanently moved out.

Notice Period is one month. Notice may be given by email or in writing. See contact details in our Code of Practice at www.prepaypower.ie/termsandconditions/codeofpractice

** Under CER 13/305, only 50% of this fee will be passed on to consumers until 31st December 2014 if the reasons is for non-payment of account. Appropriate fee will be charged whether de-energisation is successful by ESB Networks or not.
